

# AVENUE of the GIANTS

## ANCIENT REDWOODS

humboldt county, northern california

This world-famous scenic drive is an alternate 31-mile country road which parallels and intersects Hwy 101 with its 51,222 acres of magnificent redwood groves. It is by far the most outstanding display of these giant trees in the entire 500 mile redwood belt and is easily accessible with convenient services provided along the way. The Avenue of the Giants is surrounded by Humboldt Redwoods State Park which has the largest remaining stand of virgin redwoods in the world. Take time to picnic, camp, hike, swim, fish, raft, bike ride, or simply experience peace in the cool hush of these ancient old growth forests.

Please help protect these natural wonders of nature. Walk gently, leave nothing behind, and always recycle and repurpose when possible.

While driving on Humboldt County roads, be courteous, cautious and careful. Use turnouts so others may pass. Do not tailgate or cross over the center line. While picnicking and hiking Humboldt County and its many trails, creeks, rivers and roads, please pack out what you bring in. Recycle and dispose of trash properly. Thanks!
